

## Databricks Academy Training Coupon Instructions

We are thrilled to invest in your data + AI success with technical training!

To see all Databricks training and enablement offerings, please visit our [Learning Library](#) and [Certifications Catalog](#).

Below are instructions on how to use your [Databricks Academy](#) training coupon for **Databricks Academy Labs**. See details on Databricks Academy – click on *Subscriptions Catalog* and select *Databricks Academy Labs*.

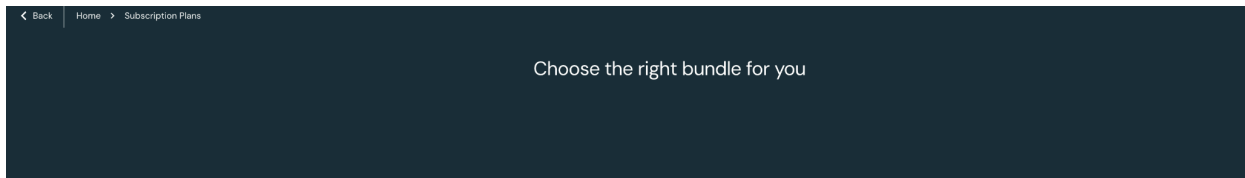

Note that your Databricks Academy Labs coupon **expires 14 days after the day you receive it**. Once you use the code to unlock the subscription, your coupon gives you **30-days access to Databricks Academy Labs for free**.

Happy upskilling!

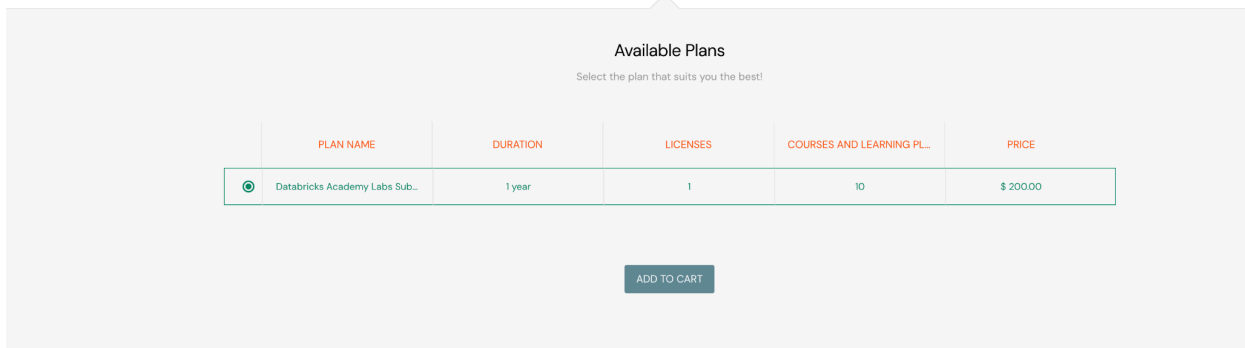

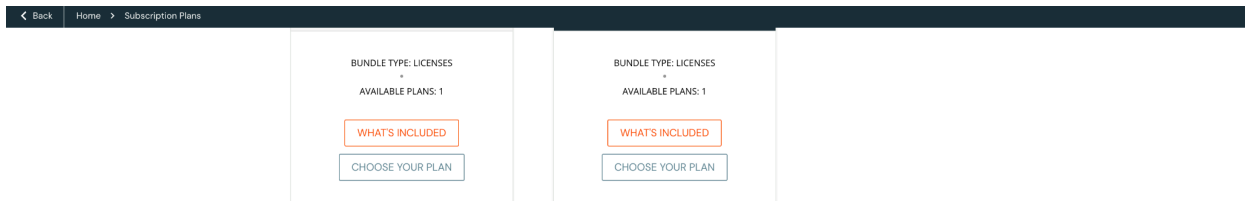

# Databricks Academy Labs

Databricks Academy Labs is a subscription service that gives you access to on-demand, hands-on lab experiences in Databricks environments to complement your Databricks Academy training courses.

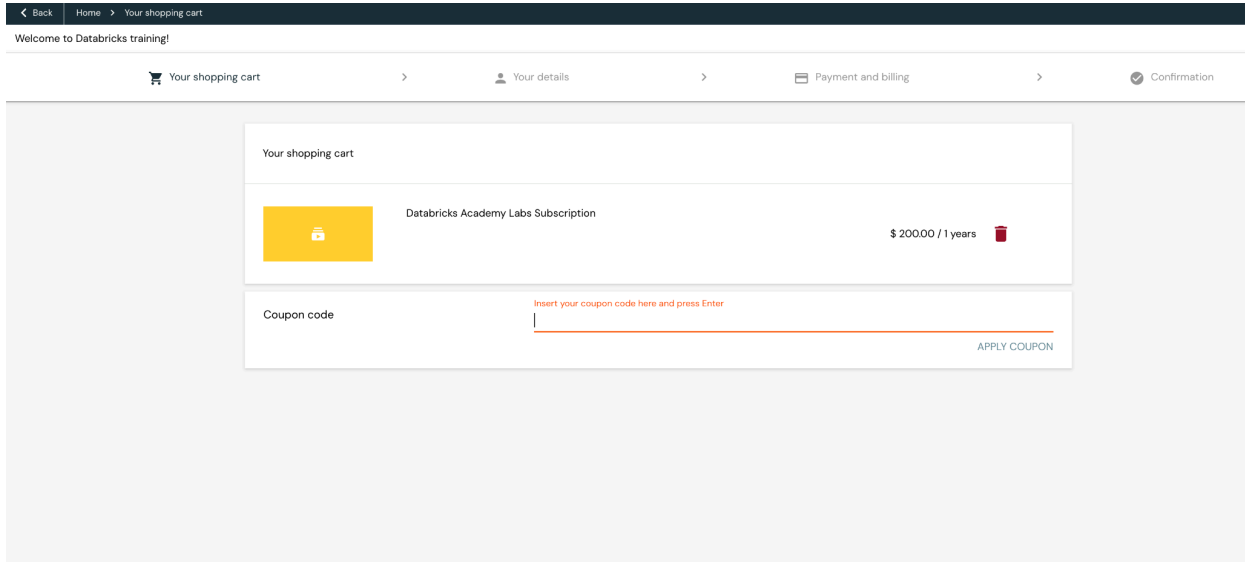

- Navigate to the Subscription Catalog tab of the for [Customer Academy login page](#)

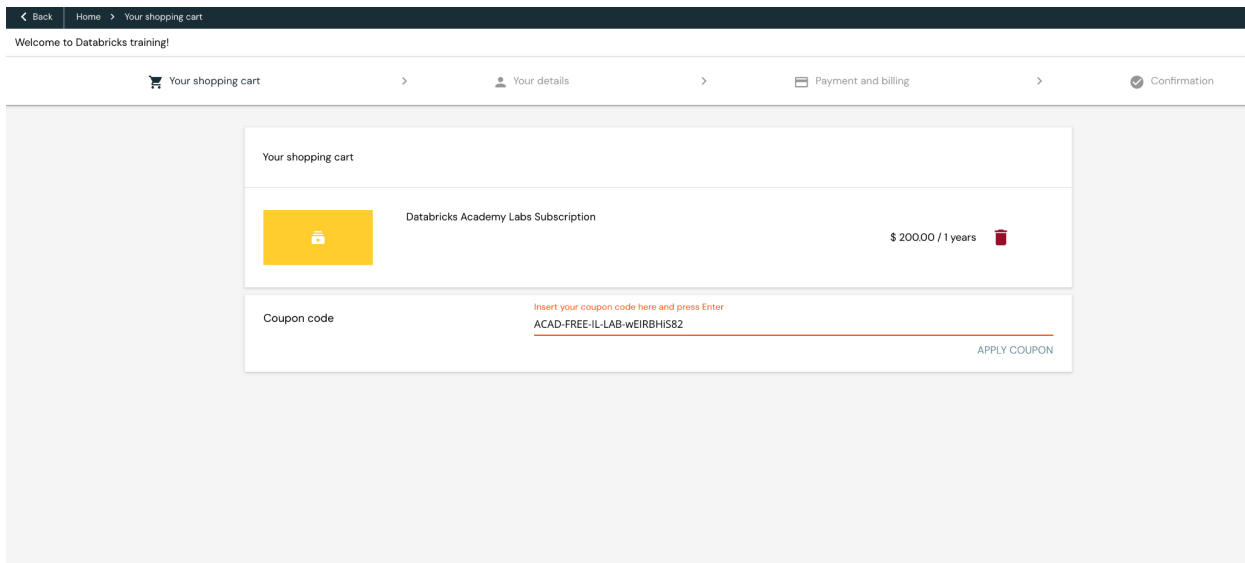

- Select **CHOOSE YOUR PLAN** – this is a yearly plan; with the coupon it will revert to 30 days after enrollment

- Select **ADD TO CART** and **VIEW CART**

- Add **coupon code** and **CHECKOUT**

- Login to Academy, if not already logged in OR Register if not already a member.
- Complete details in the Checkout screen
- You will be enrolled in this subscription

**IMPORTANT:** Initially, it will say that this is valid for 1 year; this will be adjusted in the first few days to reflect 30 days access.
